

Data security information according to Art. 13 DSGVO

This data security information is to instruct you on the processing of your personal data in the course of a company visit at UNICOR GmbH.

Personal information and data

In the course of a company visit at our premises in Hassfurt, the following data is collected from you:

- Name
- Company name and address
- E-mail address
- If required, questions on the stay in corona high risk areas, symptoms of disease and contact to infected people

Purposes for data collection and processing

We process above-mentioned data for:

- Protection of health for our employees
- Pandemic control with a view to tracking of infection chains
- Adherence to regulations valid in the course of the pandemic

A processing of your data different from above-mentioned purposes will only be conducted if this processing is admissible according to art. 6 para. 4 DSGVO and consistent with the original purpose.

Your rights according to data privacy law

You have the right of access to personal data stored about your person, processing purposes, potential transmissions to third parties and the duration of data storage.

If data is incorrect or the purposes the data was collected for are no longer relevant, you can call for correction, deletion or restriction of processing. As far as provided in the processing procedures, you can review and where applicable correct your data by yourselves.

Should there be any reasons against a processing of your personal data e. g. due to an extraordinary personal situation, you can contradict a processing as far as processing is based on an authorised interest. In such a case we will only process your data if there are legitimate interests therefor.

Please contact the data security officer of the company if you have any questions on your rights and how to exercise your rights. Contact data of the data security officer in the following: (dsb@unicor.com)

Legal basis for processing of your personal data

Legal basis according to art. 6 para. 1 lit. c DSGVO: respectively valid version of Bavarian Infection Protection Measures Ordinance (in short BayIfSMV) as well as the Bavarian Corona measures plan.

Transmission of your personal information

A transmission of a. m. data will not be conducted. In single cases however, data is likely to be forwarded to the authorised investigative body / health authorities. This transmission will be conducted in accordance with art. 6 para. 1 lit. c DSGVO

Responsible party for the processing of your personal data

The responsible party for the collection, processing and utilisation of your personal data is UNICOR GmbH in the Federal Republic of Germany.

Claims regarding the processing of your personal data

Should you have any concerns or a question regarding the processing of your personal data and information, feel free to contact the data security officer of the company or an inspecting authority for data security.

Thomas Grimm, DSB@unicor.com

Bayerisches Landesamt für Datenschutzaufsicht (BayLDA) „Bavarian regional authority for data security surveillance“
Promenade 27
91522 Ansbach

Duration of data storage

The collected data will be deleted four weeks after data receipt at the latest.
